STATE RECOMMENDATION .-

THE RECOMMENDATION.

THE SUPERINGENDENT OF PUBLIC INSTRUCTION of the State of lilinois, having been authorized by the Legislature to examine and adopt a uniform series of textbooks for the use of schools in the State of Illinois, and laving, in the department of History, selected Wilson's entire Historical Series, has issued the following official circular.

WILSON'S HISTORIES.

OFFICE OF SUPERINTENDENT OF PUBLIC INSTRUCTION, SERIESTIC, Illinois.

"I would call the special attention of teachers to the study of History—both American and general history—a study whick I would place before all thers, after the pupil has acquired a knowledge of the ordinary radimental branches of an Explise deucethon.

After a pretty extended and therough examination of, Ibeliers, all the school histories of much importance published in our country, both United States histories and general histories. If HIVE SELECTED — WILLSON'S SE ALES OF HISTORIES," as, in my judgment better adapted than any others both exparately and collectured, for the use of the chools of our State.

1—WILLSON'S JUVENILE HISTORY.

1 think it bighly desirable that children should early acquire a fendences for heavy, and to the end, historical works for their carriy reading and suitay should be interesting as well as instructive. The should be a structive and leading incidents in the lives of our principal kitsorical works for Publics of American history.

1.—WILLSON'S HISTORY OF THE UNITED STATES, may be regarded as a standard work, whose propersor claims to comprehensiveness and accuracy are well established. It is

For rule by all Booksellers.

A STORY OF THINGS ACTUAL AND POSSIBLE BY MARY LANGBOR.

For we speak that we know, and testify of thit we have seen

This Story of Southern Life is d-stined to produce an impression upon the nation, powerful far-reaching, and permanent As a Novel, merely, it equals in interest the most brilliant for tions of modern times. But it is chiefly in relation to the institution of AMERICAN SLAVERY that the book will awaken the description of the control of

wenderful vivieness. It is not a rearrangement of old stories, but an original creation; and it will appeal to the pride of the white race with New and STARTLISE FORCE.

But a calm, infexible adherence to TRUTH marks every page. Nothing of the "bine fire" of melo drama is seen; nor is the deepest usgedy marred by the screech and contontions of a second interaction.

No reader, however indifferent to novels in general, can possibly leave off without finishing it. The preliminary edition has been read by a number of the most eminent literary men in the country, as well as by persons of average intellect and culture.

THE VERDICT IS UNANIMOUS.

THE VERDICT IS UNANIMOUS. "One touch of nature makes the whole world kin."
From the boy who devours Robinson Crusoe, up to the accomplished scholar who is familiar with the highest efforts of

are received.
Work will be published Nov. 15.
PHILLIPS, SAMPSON & Co., Publishers, Boston.

TO MEDICAL STUDENTS, Principals of Schools and Colleges, Lecturers on Austomy and Physiclegy, and all these interested in the Laws of Life, Health, Education, and Human Improvement:

FOWLERS & WELLS, No. 306 Broadway, would respect-

"The plot is skillfully yet naturally developed, and the instruct increases as the work proceeds. The render of the first deven pages will not willingly lay it aside till he has completed its perusal."

"The story is very attractive, and will be read with absorbing increase."

"The story is very attractive, and will be read with absorbing increase."

"The story is true to nature, and free from all those exaggerations which redder fictitious interature generally so poor a channel for the inculcation of any real and substantial leasons of value."

"We found 'ida Norman, or Trisls and their Usess,' so be guiling that minutes became hours before we could relinquish the book. While the press teems with thrilling tales that unite the horible and improbable, its refreshing to find a simple story of every-day life, whose incidents are those that might occur at any time, and whose characters seem to think, and talk, and act like those of real He, instent of passing through an existence of sentimentality to the novellet's examination, in loy, peace, and happiness."

"Few books that we have ever seen combine in an equal degree the highest moral and religious acstiments with the highest difference. Parents who reject the mass of books at too light for their children to read, may place this work in their hands with a say pleasant writer, who holds the key to the human beett, and touches the chords of affection and feeling with a mater hand. Het book will be read with interest and profit, and will find, what it is worthy of a place in every family library.

"We ever soon host to everythine else but the sory of Ida Norman, and the trials and vickeitudes of life, as present with a contained in highly conceived, the counter piots are constantly impering a row and lively interest to each succeeding chapter of the work."

"He is a book which will do for the heart of every pure and noble girl in ore than school hooks or chool toachers ever attempted. It will nowhere be received with the short at tempted. It will nowhere be receive FOWLERS & WELLS, No. 306 Broadway, would respectfully call the sitention of the above to the following list of valuable stitlers requisite to their parsuit:

WEBER'S ANATOMICAL ATLAS, comprising eleven entire figures, size of Hfe, accurately colored and mounted imap form. Price \$23. This Allas is from the original German by Prof. Weber, of the Boyat Prusian University, and the only American edition ever published.

Also for the decoration of offices, private dwellings, etc., their accurate life size busts of Washington, Webster, Cisy, Calhun, and all the distinguished characters of every age. No. 508 Broadway, two blocks above the Park.

PARE REAUTY.—

ANOTHER BOOK of RARE BEAUTY.—

ANOTHER BOOK of RARE BEAUTY.—

LEAVES FROM THE TREE IGDRASTL

"I like too that representation they (the old Norsemen)
have of the tree Igdnay. All the la figured by them as a tree.
Igdrayl, the Ash tree of existence, has in roots deep down in
the hingdom of Hels or Death; its trunk reaches up heavenhigh, or reads its boughe over the whole universe; it is the tree
of existence. Is not every leaf of it a bougany—every four
there an act or word!"

Mus hussell is well known to the literary world as one of the
most popular contributors to the pesiodical interature of the
country, and this heautiful volume, we believe, will place her
same by the side of our most popular female writers.

HIGH LIFE IN NEW-YORK.

of Weathersteld, Conn.

If you desire a long laugh, a nood laugh, a hearty laugh, real, upressions explosion of a laugh, read Jonathan Slick.

SUCH COMICAL IDEAS OF MEN AND TRINGS,
Such Locapressibly
FUNNY ADVENTURES AND INCIDENTS,

tainly never before set down in print. It is a beck of INFINITE JEST AND MOST COMICAL PANCY.

JONATHAN, it will be remembered, came to Gotham from Weathersfield with a sloop load of nick-nacks, and here say such sights as almost turned his brain, all of which are described

in Jonathan's peculiar phraseology.

Of all the Slick tribe, Jonathan alone posses

mense cost, and by tollsome research.

CAPTAIN SLEELER'S NEW BOOK.—

W. J. REYNOLDS & Co., Roston, have just published, SALT WATER BUBBLES, Ov. Litts on the Ways.
In 1 vol. 12mo., with upward of 600 gages, and 46 Engravings from original decisies

"The Earth bath bubbles as the water has, And these are of them."—Shakayers.
This book contains tweety eight stories of ocean life, told in a plain, of hand manner, by one who for years had his beine in the forecastle, of sketches sometimes descriptive, and all illustrating, in a greater of its descree, the ammunements superstitions, evila, vices and virtues of the sailor, and sprinked with tempests, abipwrecks hair breadth secapes principe and battles, with occasional glumpes of scenes of another sort, life in the rural districts of New Enland.

NOTICES OF THE PRESS.

From The Boston Transcring.

"No one can read a page of these tailes by Hawayer Martingale (a new de plume for Capt. Sleeper, late editor of The Boston Journal.) without welcoming him in full faith as a verificable simple preserved of what he hasseon and heard, and drawing his pictures of santical life from genuine originals. He has understands the sailor thoroughly, and presents him she trais, with mone of his coarsenase. He understands the sailor thoroughly, and presents him she trais, without asageration. This truth of descriptions resident in regard to life at sea that we have in Danas. The Years Before the Mart."

There is a vividness of coloring in his descriptions of nauti-Before the Mast."

From The Boston Journal

"There is a vividness of coloring in his descriptions of nautitieal scenes, and an individuality in his sketches of character, which make his tales inevitably attractive and popular. The volume abounds in strange scenes and string adventures."
